bellaamorglobal@gmail.com

At Bella Amor Aid Foundation, we envision a world where human dignity is protected, voices of the vulnerable are amplified, and every individual, especially the underserved, the silenced, and the forgotten is given the opportunity to live a life of purpose, safety, and self-sufficiency.

Our vision is to become a leading humanitarian force for transformation and equity in Nigeria and across Africa, by delivering integrated, compassionate, and sustainable interventions that combat hunger, e m p o w e r communities, and protect the most vulnerable from systemic harm.

Through our flagship program **Food Relief Initiative** “Mo’Feed” we aim to feed 600,000 people across Nigeria’s six geopolitical zones prioritizing children, widows, the elderly, internally displaced persons (IDPs), and urban poor populations. Yet our commitment does not end with food it begins there.

We envision a society where no child suffers from hunger, exploitation, or

ABOUT /

neglect. Our Child Welfare programs are designed to protect the rights of every child, ensuring access to education, healthcare, shelter, and psychosocial support. We advocate for a safe, nurturing environment for every child one free from abuse, trafficking, labor, and violence.

We are equally unwavering in our stand against Gender-Based Violence (GBV) in all its forms. We envision a society where women and girls are safe, respected, and empowered free from the fear of domestic abuse, rape, forced marriage, or harmful traditional practices. Through advocacy, survivor-centered support services, community education, and legal assistance, we aim to break the cycle of silence and impunity and foster a culture of accountability and equality.

Furthermore, we are deeply committed to combating the growing epidemic of drug abuse among youth. Our Drug Abuse Prevention and Rehabilitation advocacy seeks to educate, rehabilitate, and reintegrate. We envision communities where young people are

inspired by purpose, not plagued by addiction where prevention, mentorship, and support replace stigma and punishment.

Beyond emergency response, Bella Amor Aid Foundation invests in the long-term empowerment of individuals through skills acquisition, vocational training, and economic inclusion initiatives. We believe that true humanitarian service lies in enabling people to rise above crisis with dignity and resilience.

As we advance our mission, we will continue to collaborate with local communities, government agencies, schools, healthcare institutions, and civil society organizations to build safe, empowered, and inclusive communities one initiative at a time.

At Bella Amor Aid Foundation, we are not just responding to need we are reimagining what is possible, restoring faith in humanity, and building a future where every life counts, every child matters, and every voice is heard.

MIRABEL NDIFREKE -ABASI E.

PRESIDENT /FOUNDER
BELLA AMOR AID FOUNDATION

Mirabel Etuk is a visionary leader, social impact advocate, and founder of the Bella Amor Aid Foundation. A proud native of Etinan Local Government Area in Akwa Ibom State, she was born and raised in Lagos, Nigeria, where her passion for humanitarian service began.

Mirabel is an entrepreneur, philanthropist, certified Human Resources professional (CPM, PGD-HRM, ACIHRM, CHR), digital analyst, and writer with a deep-seated commitment to community development and social transformation. Her career has been defined by her drive to bridge the gap between privilege and poverty, and to amplify the voices of those often forgotten in society.

The Mo' Feed Project & Skills Empowerment Program, A National Movement to Feed 600,000 People Across Nigeria's Six Geopolitical Zones Under Mirabel's leadership, the Bella Amor Aid Foundation has launched a bold and transformative initiative known as the Mo' Feed Project, a movement committed to feeding 600,000 individuals across Nigeria's six geopolitical zones. In a country blessed with resources yet challenged by rising humanitarian needs, this project stands as a call to action for individuals and institutions to collectively respond with compassion and accountability.

Mirabel recognizes that the government alone cannot meet the scale of social demand. As such, she champions citizen responsibility and emphasizes the importance of extending support to orphans, widows, the homeless, internally displaced persons, and vulnerable populations.

A Call to Humanitarianism

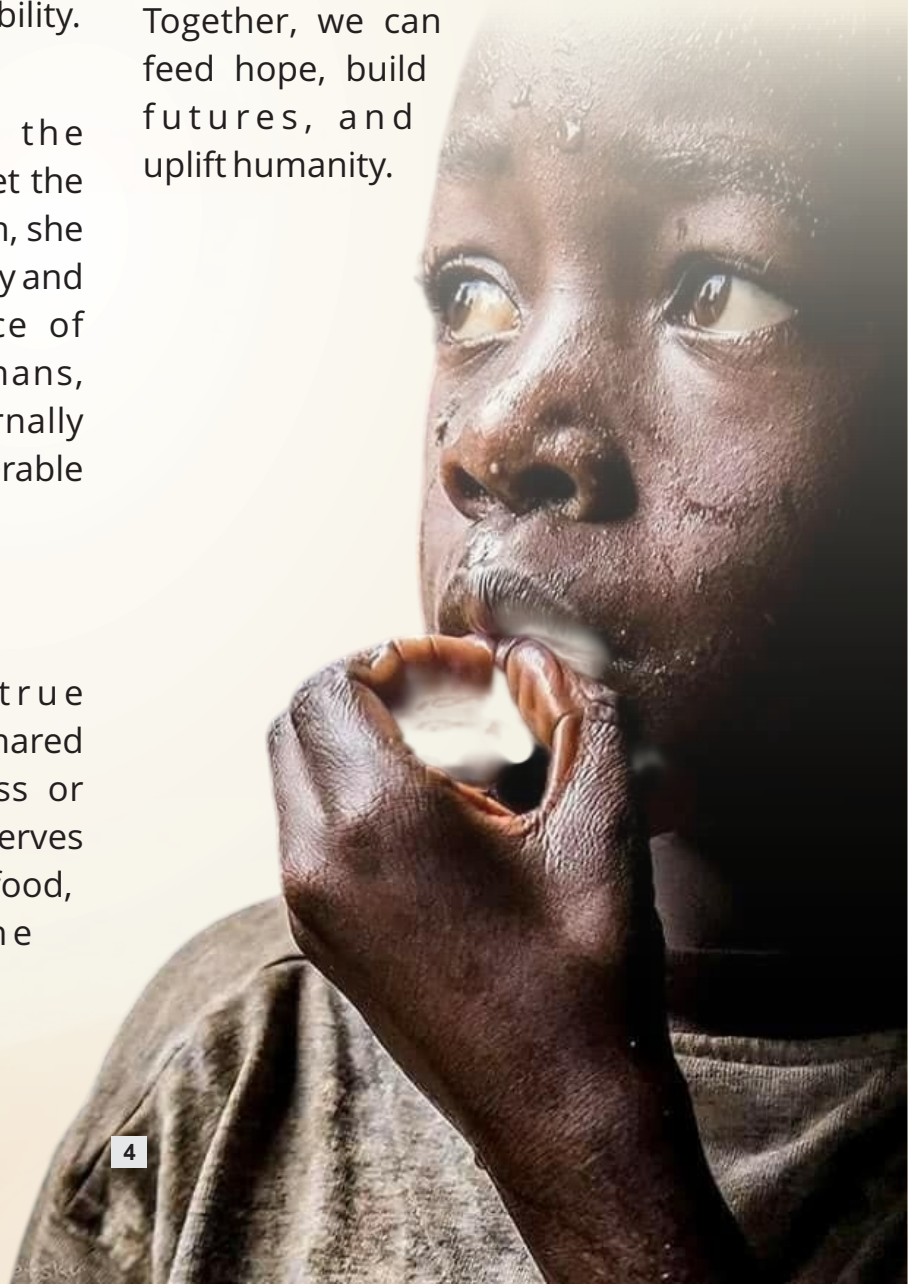

Mirabel believes that true humanitarianism is rooted in shared humanity. Regardless of class or status, every human being deserves access to basic necessities, food, shelter, and dignity. She emphasizes that Nigeria's current economic realities, which have left millions in

conditions of hardship and dependence, require more than temporary solutions. They demand a structural shift, led by committed individuals and organizations willing to be agents of real change.

At the heart of the Bella Amor Aid Foundation's mission is a dual approach: immediate relief and long-term empowerment. This mission is carried out through two primary programs:

Welcome on board.

Together, we can feed hope, build futures, and uplift humanity.

3RD EDITION 2026 BELLA AMOR HUMANITARIAN AWARDS

Honouring Excellence in Humanity, Leadership and Service

EVENT RATIONALE

As Nigeria navigates complex socioeconomic challenges, the efforts of patriotic citizens and organizations often go unnoticed. The Bella Amor Humanitarian Awards shines a **national spotlight on unsung heroes and established leaders** alike 4 gathering the most influential change makers under one roof.

- Now in its 3rd Edition, the Awards has grown into one of Nigeria's most prestigious recognition platforms for leadership, philanthropy, and nation building.

OFFICIAL LAUNCH DECLARATION BELLA AMOR HUMANITY IMPACT INITIATIVE (BAHII)

THE OFFICIAL DECLARATION

On 1 October, at the BAAF Humanitarian Excellence Awards, the Bella Amor Global Aid Foundation will proudly launch the Bella Amor Humanity Impact Initiative (BAHII), a flagship national platform designed to transform lives and strengthen communities across Nigeria.

The initiative is dedicated to expanding access to quality education, promoting child welfare and protection, empowering women and young people through sustainable economic opportunities, improving access to healthcare, strengthening food security, delivering timely humanitarian assistance, and advancing community driven development.

Through the Bella Amor Humanity Impact Initiative, we reaffirm our unwavering commitment to restoring hope, empowering vulnerable populations, uplifting underserved communities, and creating lasting opportunities that foster resilience, dignity, and sustainable development for present and future generations.

THE INITIATIVE THEME

"Elevating Humanity: One Vision, Boundless Impact."

ABOUT THE BELLA AMOR

HUMANITY IMPACT INITIATIVE (BAHII)

The Bella Amor Humanity Impact Initiative (BAHII) stands as the flagship national master framework of the Bella Amor Global Aid Foundation. It is meticulously designed to confront society's most pressing humanitarian and developmental challenges through sustainable, community driven solutions.

Acting as a central strategic umbrella, BAHII will seamlessly coordinate, fund, and execute specialized programs focused on the following core pillars:

- Educational Advancement and Institutional Support •
- Child Advocacy and Total Welfare Protection •
- Youth Capacity Building and Leadership Development •
- Women Empowerment and Financial Inclusion •
- Comprehensive Healthcare Access and Human Development •
- Strategic Food Security and Zero Hunger Interventions •
- Rapid Humanitarian Assistance and Crisis Response •
- Sustainable Grassroots Development and Social Impact

Through this deeply integrated and holistic approach, the Initiative seeks to bridge inequality gaps, drastically improve living standards, strengthen local communities, and contribute meaningfully to the overarching framework of national development.

PROGRAMMES UNDER THE BAHII UMBRELLA

- **National Future Shield Initiative (NFSI)** A specialized intervention focused on youth drug abuse prevention, public awareness, and rehabilitation advocacy.
- **The Mo'Feed Project** Our dedicated food security, skills empowerment, and zero hunger relief programme.
- **The Boy Child Life Matters Initiative** A dedicated advocacy and mentorship framework focused on the holistic development, protection, and empowerment of the boy child.
- **The Girl Child Welfare Initiative** A specialized intervention championing the fundamental rights, educational access, and total well being of the girl child.
- **Gender Based Violence Eradication Campaign** A robust advocacy and support system dedicated to the absolute fight against gender based violence, ensuring justice, rehabilitation, and protection for victims.
- **Safe Environment Advocacy Programme** A strategic initiative promoting environmental sustainability, community safety, and proactive ecological awareness.
- **Bella Amor Education Support Programme** An initiative designed to democratize educational access and provide comprehensive student support.
- **Bella Amor Women Thrive Initiative** A strategic framework dedicated exclusively to women empowerment, entrepreneurship, and economic advancement.
- **Bella Amor Community Health Outreach** A grassroots medical intervention focused on preventive healthcare, free medical access, and overall community wellness.

STRATEGIC PARTNERSHIP WITH NIGERIA CUSTOMS SERVICE

PARTNERSHIP WITH
MO'FEED PROJECT

Strategic Partnership with the Nigeria Customs Service The Bella Amor Global Aid Foundation is proud of its strategic partnership with the Nigeria Customs Service, a collaboration built on a shared commitment to humanitarian service, social impact, and sustainable national development.

Together, we have successfully implemented life changing humanitarian interventions in Akwa Ibom State and Kano State, delivering critical support to vulnerable communities and demonstrating the transformative power of partnership.

As we continue to expand our collective impact, this alliance remains focused on advancing education, healthcare, women and youth empowerment, humanitarian relief, food security, and community resilience. United by a common purpose, we are restoring hope, empowering lives, and building a more inclusive and sustainable future for all.

KANO STATE OUTREACH

DAKATA TSANGAYA1

The Bella Amor Global Aid Foundation (BAAF), in strategic partnership with the Nigeria Customs Service (NCS), successfully concluded a major humanitarian outreach project in Kano State under “**The Boy Child Life Matters Initiative / Mo’Feed Project**,” held from the 14th to 17th of May. The impactful intervention, which focused on vulnerable Almajiri children across five

Tsangaya schools in Kano, was designed to address pressing welfare needs while restoring dignity, hope, and care to underserved children within the society.

DAKATA TSANGAYA 2

In Dakata Tsangaya 2, we successfully concluded a major humanitarian outreach project in Kano State under “**The Boy Child Life Matters Initiative / Mo'Feed Project,**” . The impactful intervention, which focused on vulnerable Almajiri children Dakata Tsangaya 2 , addressing pressing welfare needs while restoring dignity, hope, and care to underserved children within the society.

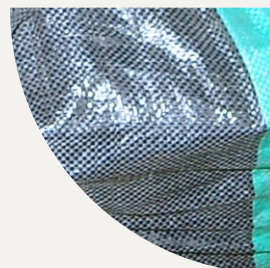

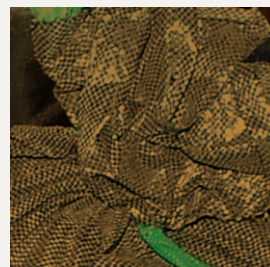

DAKATA TSANGAYA 3

In Dakata Tsangaya , we continued our humanitarian outreach project touching the lives of the needy . The impactful intervention, which focused on vulnerable Almajiri children Dakata Tsangaya , addressing pressing welfare needs while restoring dignity, hope, and care to underserved children within the society.

In Dakata Tsangaya 4 , we continued our humanitarian outreach project by distributing food items, attending to their medical needs, clothes as well as distributing the Holy Quran. The beneficiaries were so excited to participate and were grateful to our partner, Nigeria Customs services for their strategic collaboration towards making the impactful intervention a success.

DAKATA TSANGAYA 4 OUTREACH

In Goron Dutse Tsangaya , we continued our humanitarian outreach project by distributing food items, attending to their medical needs. The beneficiaries were so excited to participate and were grateful to our partner, Nigeria Customs services for their strategic collaboration towards making the impactful intervention a success.

GORON DUTSE TSANGAYA OUTREACH

AKWA IBOM

PROJECT OUTREACH

ESSIEN

UDIM

OUTREACH

In Essien Udim Local Government Area, the Mo'Feed Project brought relief and encouragement to numerous vulnerable households across the community.

Widows, elderly residents, persons living with disabilities, youth, and school children were among the key beneficiaries of the food distribution initiative.

The outreach ensured that the most vulnerable members of the community were given priority during the exercise.

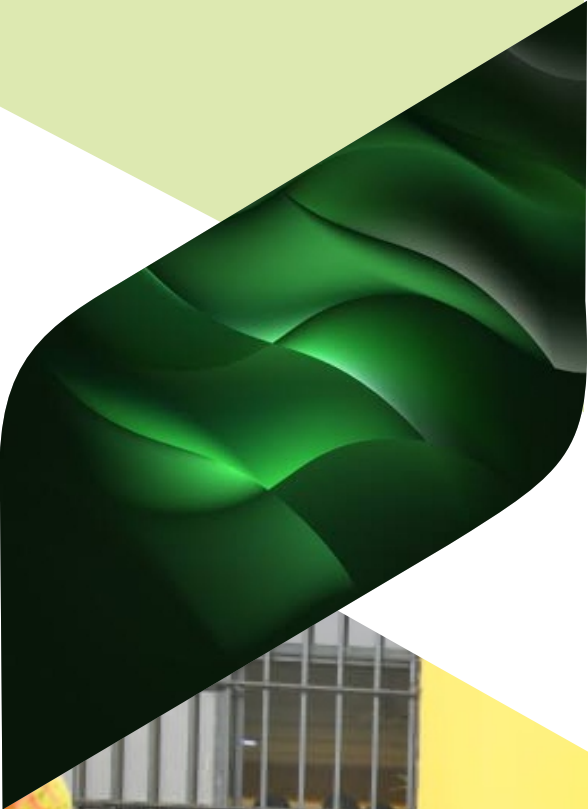

The people of **Essien Udim** warmly welcomed the initiative and expressed gratitude to the Nigeria Customs Service and the Bella Amor Global Aid Foundation for remembering their community and extending meaningful support.

ESIT EKET

L.G. OUTREACH

The Mo'Feed outreach in Esit Eket Local Government Area recorded great success as vulnerable households turned out in large numbers to participate in the distribution exercise.

Special attention was given to widows and persons living with disabilities who often face greater socio-economic challenges. Youth and school-aged children from disadvantaged families were also direct beneficiaries of the project.

The intervention helped ease food insecurity within the community while also promoting social inclusion by ensuring that marginalized groups were not left behind. Community leaders applauded the initiative for bringing relief and renewed hope to families in need.

ETINAN L.G OUTREACH

The Mo'Feed Project also recorded a highly successful outreach in Etinan Local Government Area, where the initiative reached several vulnerable groups within the community.

Widows, persons living with disabilities, unemployed youth, and families with school children were among those who benefitted from the food distribution exercise. The program helped improve access to essential food supplies for households that have been struggling with economic challenges.

The successful implementation in Etinan demonstrated the effectiveness of coordinated humanitarian efforts in addressing food insecurity at the grassroots level.

MKPAT ENIN OUTREACH

►►►

Mkpat Enin Local Government Area, the Mo'Feed Project made a remarkable humanitarian impact as vulnerable members of the community gathered to benefit from the outreach. Widows, elderly persons, persons living with disabilities, and underprivileged youth were among the major beneficiaries. School children from low-income households also benefited indirectly as the food supplies provided to their families helped improve household stability.

The project significantly strengthened community morale and reinforced the importance of collaborative humanitarian interventions.

NSIT ATAI OUTREACH

Mo'Feed Project concluded its outreach across the participating Local Government Areas with a successful distribution exercise in Nsit Atai Local Government Area.

The program reached widows, persons living with disabilities, youth, school children, and other vulnerable members of the community who benefitted from the food support provided through the initiative. The outreach brought smiles and renewed hope to many families, reaffirming the importance of humanitarian partnerships in addressing food insecurity and improving community welfare.

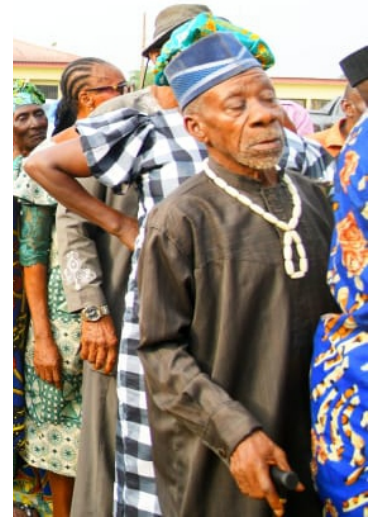

NSIT UBIUM OUTREACH

Nsit Ubium Local Government Area, we continued our mission of providing humanitarian support to vulnerable populations. The distribution exercise was organized to ensure that the most deserving members of the community benefitted from the program. Widows, persons living with disabilities, youth, and struggling families with school-aged children received food support that helped ease the burden of feeding their households. The outreach fostered a sense of solidarity within the community, with beneficiaries appreciated our gesture made possible by the Nigeria Customs Service.

UYO FLAG OFF OUTREACH

The Mo'Feed Project commenced its outreach in Uyo Local Government Area, the capital city of Akwa Ibom State, where a large number of vulnerable households were reached. The distribution exercise was carefully coordinated to ensure transparency, fairness, and orderliness.

Widows, persons living with disabilities (PWDs), youth, and school children formed a significant portion of the beneficiaries. The outreach brought immediate relief to families facing economic hardship by providing essential food supplies aimed at improving household food security.
